NYC Parks is the steward of nearly 30,000 acres of land — 14 percent of New York City — including more than 5,000 individual properties ranging from Coney Island Beach and Central Park to community gardens and Greenstreets. We operate more than 800 athletic fields and nearly 1,000 playgrounds, 1,800 basketball courts, 550 tennis courts, 67 public pools, 51 recreational facilities, 15 nature centers, 14 golf courses, and 14 miles of beaches. We care for 1,200 monuments and 23 historic house museums. The Mobile Recreation Vans travel citywide providing equipment and instructional activities.

A visit from a Play or Fitness Mobile highlights any event, especially when a group might not have access to a Park or Recreational facility nearby. Mobile Units visit church family days, community block parties, health fairs & summer camp celebrations. They also enhance Parks-sponsored programs like Summer Festivals, Adventures NYC, and the Playground Associate Programs. The Mobile Recreation Vans travel citywide, providing equipment and instructional activities from community events, which include arts & crafts and sport & fitness activities.
